

2022 ALBERTA SOIL SCIENCE WORKSHOP Request for Travel Assistance for Alberta Students

The Alberta Soil Science Workshop has budgeted limited funds for travel assistance to encourage graduate and undergraduate students from Alberta universities and colleges to attend the Canadian Soil Science Society – Alberta Soil Science Workshop Joint Conference, in Edmonton, Alberta, May 23-27, 2022. The travel assistance is designed to help cover a portion of the costs of travel and accommodations while attending the workshop. It can't be used to cover registration costs. The amount of assistance is to a maximum of \$100 per student and the amount awarded is at the discretion of the workshop committee based on student participation. Successful applicants will be notified, and cheques will be issued at/or after the workshop.

The Alberta Soil Science Workshop encourages students to make presentations and offers awards for the best student presentations. The annual meeting provides an excellent opportunity for students to present research ideas and results at a scientific meeting among peers, to network with other researchers and to meet potential government and industry employers.

Submit assistance requests by May 16, 2022, to: Alberta Soil Science Workshop
